Indian General Assistance Program (GAP)
FY08 Funding Announcement

At this time, EPA does not accept electronic applications through grants.gov for non-competitive programs, including IGAP. However, EPA does accept electronic applications through Grants.gov for other <u>competitive</u> grant programs. In the near future the EPA Region 10 Grants Administration Unit will also be accepting grants.gov applications for <u>non-competitive</u> grant programs, including GAP. Watch the Grants Administration Unit's website for further information: http://www.epa.gov/region10/grant.htm

If your Tribe is not yet registered in grants.gov, you are highly encouraged to do so NOW, so you will be ready to apply for EPA Region 10 competitive AND non-competitive programs during 2008.
